Description: First Grave on the Right is the smashing, award-winning debut novel that introduces Charley Davidson: part-time private investigator and full-time Grim Reaper. Charley sees dead people. That's right, she sees dead people. And it's her job to convince them to go into the light. But when these very dead people have died under less than ideal circumstances...

Review: Charley Davidson is a part-time private investigator and full-time Grim Reaper – she sees dead people and it's her job to convince them to go to the light. When her charges die in mysterious circumstances, they sometimes want her to help them and their loved ones find justice. I'm generally not a huge fan of "paranormal romantic suspense," but I picked...
